<p>LOCATION</p> <p>Libya</p> <p>CLIENT</p> <p>Bechtel</p> <p>COST</p> <p>+1B</p> <p>REPRESENTATIVE SERVICES</p> <p>Provided management staff</p>	<p>FSC was privileged to join the United States Agency for International Development (USAID), and Bechtel on a major telecom and infrastructure project in Libya.</p> <p>This project presented a number of challenges, primarily that of gathering a local, regional, and expat workforce in a relatively unfamiliar environment, and creating on-the-job synthesis.</p>
--	---

As FSC has vast experience in a variety of global regions, particularly the Middle East, it was able to leverage its' global community of A/E talent for the select few with very specific traits and skills.

The clients were extremely satisfied Bechtel continues to be a key client for FSC
